

Letter to The Canberra Times

3 June 2013

Dear Editor

The Australian Ballet's 'Monument' (at the Canberra Theatre 23-25 May) was a feast of stunning choreography, beautifully danced and brilliantly realised. The 3D animations of the design, so familiar to Canberrans, were a treat and almost overwhelmed the spectacle. The famous flagpole was bare. Ever so happy we were spared the sight of the Union Jack crowning our Commonwealth in this presentation.
